

I went to a party, I met a girl
I took her home, showed her my world
I got her nude, I got her drunk
She looked at me,
what\ 's your problem punk?!
Are these your records? - Just old crap!
I kicked her out, don\ 't want her back
I rather spend my life alone
Listening to the Ramones,
- Hey Ho let\ 's go!
- Go!!!!

It doesn\ 't matter, what the fuck?!
Cos Wu-Tang Clan they really suck!
