

## The Finest Kiss

The Boo Radleys

I think about you sometimes because I know it helps my  
peace of mind.

It's not that I don't notice you, I have her love so  
bright it stings my eyes.

I could attempt to turn away because I know I can't  
escape myself.

Just don't expect any sense because you'll find it's just  
a waste of time.

Have you seen her?

The finest kiss is mine.

Have you seen her?

Heaven every time.
