

I Didn't Know That

The Books

I didn't know that, I didn't know that...
(Le cinéma, c'est vingt-quatre fois la vérité par seconde.)
Get excited about it. Yeah! Whoo!
Whoo! Man, I'm tellin' ya.
Woah! You ready, huh? Alright. Whoo!
Man, that's exciting. Isn't that awesome?
Me. Wow! Unbelievable.
You'll never be the same again after this weekend, will ya?
Style is much more important than substance.
That was all there was?
Aye! Yeah! That's right. You know what I'm sayin'?
(No!) Yeah!
Whoo! I'm tellin' ya. Man.
I just washed my hair.
Thought: you have to stretch it very hard
and it's as hard as a brain.
I didn't know that, I didn't know that... ooh, Man.
