

## Say Hi To Mick

The Boomtown Rats

Say Hi to Mick for me  
We'll tune him out on channel KGB  
I always thought that I would be  
In New York City.  
In New York City  
When I grew old.

It's cold out here and this is home.  
And you know there's snow everywhere I go.  
But it don't look like any place I know.  
Oh ooh woah.

Say Hi to Mick for me.  
We'll tune him out on channel KGB  
I always thought that I would be.  
In New York City.  
In New York City.  
When I grew old.  
In New York City.  
In New York City  
When I grew cold.
