I'm going to Boomtown
I'm going back
Back to Boomtown
Yeah, that's where I'm at
And when I get to Boomtown
I'm gonna ask those cats
What's happening here in Boomtown?

It's those rats, those rats, those dirty rats
Those rats, those rats, those r-r-r-rats

The Boomtown Rats
The Boomtown Rats
The Boomtown Rats
The Boomtown Rats

Do you wanna come to Boomtown?
I'll meet you 'round the back
Between the dirty alley
And those Boomtown Flats
They're dedicated to St. Boomtown
He's the patron saint of crap
He's praying for a miracle
But what he gets is

Those rats, those rats, those dirty rats
Those rats, those rats, those dirty rats
Those rats, those rats, those filthy rats
Those rats, those rats, those rats, those rats

The Boomtown Rats
The Boomtown Rats
The Boomtown Rats
