

Beautiful Things

The BossHoss

For a while there it was rough
But lately I've been doin' better
Than the last four cold Decembers I recall
And I see my family every month
I found a girl my parents love
She'll come and stay the night, I think I might have it all

And I thank God everyday
For the girl he sent my way
But I know the things he gives me he can take away
And I hold you every night
That's a feeling I wanna get used to
But there's no man as terrified
As the man who stands to lose you

Oh, I hope I don't lose you, mmm

Please stay
I want you, I need you, oh God
Don't take
These beautiful things that I've got

Please stay
I want you, I need you, oh God
Don't take
These beautiful things that I've got

Oh-oh-oh-oh, ooh
Please don't take

I found my mind, I'm feelin' sane
It's been a while but I'm finding my faith
If everything's good and it's great why do I sit and wait 'til it's g
one?
Oh, I'll tell ya I know I've got enough
I've got peace and I've got love
But I'm up at night thinkin' I just might lose it all

Please stay
I want you, I need you, oh God
Don't take
These beautiful things that I've got

Oh-oh-oh-oh, ooh
Please stay
I want you, I need you, oh God
I need
These beautiful things that I've got
