

Star Of The Roadcrew

The BossHoss

A long convoy's waiting for me
Yeah, the roadcrew's breaking free
Dibs on the first go, go
Everybody is following me
Everybody is following me

Well, the roadcrew's strong highway
You and I just a-riding free
Kickoff, one, two, three
Everybody is following me
Everybody is following me

I am the star of the roadcrew
Oh, yes, I am
A serious midnight cowboy, the leader of the gang
Oh, yes, I am, ma'am

I am the star of the roadcrew
And I can drive a truck, goes miles per hour
In the roadcrew gang
Oh, yes, I am, ma'am

Gather 'round and join our family
A bebop support our community
A first row window seat
The star of the roadcrew, that's me

Let the ride rule with devotion
Trucker-lution, join in
High gear, hands wet on the wheel
And everybody's still following me
Everybody's still following me

I am the star of the roadcrew
Oh, yes, I am
A serious midnight cowboy, the leader of the gang
Oh, yes, I am, ma'am

I am the star of the roadcrew
And I can drive a truck, goes miles per hour
In the roadcrew gang
Oh, yes, I am, ma'am

We're on the high life ride
We're on the high life ride
Brother trucker, unite
Our dedication
Our destination

I am the star of the roadcrew
Oh, yes, I am
A serious midnight cowboy, the leader of the gang
Oh, yes, I am, ma'am

I am the star of the roadcrew
And I can drive a truck, goes miles per hour
In the roadcrew gang

Oh, yes, I am, ma'am
