

Wolf Call

The BossHoss

flip, flop, with kay-eye, what a yutie pie i see
oops shoopa doo-wah, lips of honey that's for me

shim sham shimmie wanna hail and shout
i might forget you, baby, there's no doubt
i saw you standing 'gainst the wall
i whistled and gave my all
now don't tell me you don't fall
for that wolf call

be-bop a boogaloo, i'm sneakin' all around you
tip top jitterbug, baby please no taboos

just a little kiss'll put me in a whirl
i'll never whistle dearie at another girl
you love me well we'll have a ball
why do you try to stall
now don't tell me you don't fall
for that wolf call

wham bam baby, you're the one for me
just get a little closer and you will see
you love me well we'll have a ball
believe me and i'll give my all
so don't tell me you don't fall
for that wolf call
