

Word Up

The BossHoss

Your pretty ladies around the
world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister and
your mummy too
cuz we're about to go down
And you know just what to do
Wave your hands in the air like
you don't care
Gilde by the people as they start
to look and stare
Do your dance, do your dance, do
your dance quick
Come on pretty lady tell me what's
the word

Word up WORD UP
Word up everybody says
When you hear the call you've got
to get it underway

Word up WORD UP
Word up it's the code word
No matter where you say it you
know that you'll be heard

Now all you sucker DJ's who think
you're fly
There's got to be a reason and we
know the reason why
Why you put on those airs and you
act real cool
But you got to realize that you're
acting like fools
If there's music we can use it
We're free to dance
We don't have the time for
psychological romance
No romance, no romance, no romance
for me
Come on pretty lady tell me what's
the word

Word up WORD UP
