**The BossHoss**

Don't, don't, don't  
Don't you ever mess with BossHoss  
Don't, don't, don't  
Don't you ever cross our path

You should know  
We're about to set  
We're about to set high fire  
So you should know, know  
Guess who comes  
Here comes BossHoss

We got Hank and Frank  
Good old Russ and Guss  
When we walk into a bar  
We don't mean no harm, no no  
There's no stretch to long  
To bring you a song

We're on the trail  
Of a long, long track  
Now listen to me baby  
I don't waste no time  
'Cause it's gonna be fine  
So why don't you croon along

Don't, don't, don't  
Don't you ever mess with us  
Don't, don't, don't  
'Cause we're BossHoss  
Yeehaw!

Round and round  
Back to the middle and do-si-do  
Come on now fellows! yeah! what the hell'em  
God damn son of a gun  
Hear that sound  
Gonna jump around  
Move your ass and raise your hands  
Come on now boys, grab a girl and whirl around  
Till the break of dawn

Don't, don't, don't  
Don't be a square and be  
Don't, don't, don't  
If you wanna get right  
If you wanna get right or rough  
If you can't resist, take the risk, that's exists

Yes sir,  
For the money, for the show,  
For the goal, for the flow,  
For the beatup jeans  
For the moonlight mad [?]  
We got Russ and Guss  
Good old Hank and Frank

No, no, it's the time, it's the place  
To keep goin' on
