The Bouncing Souls

Believers achievers day dreamers  
Lookin for something  
Defiers outliers failure deniers  
Till we break through

Moved to town to make the scene  
Got no talent just a dream

Thick skin found kin  
Born again in a world we choose  
Love you stay true  
With you make our own rules

Ups and downs seemed so real  
Stick together thats the deal  
Gotta make something make it true  
All together with all of you

Living in a dump doing crimes in stereo  
Cutting our teeth playing songs on the radio  
Living on po boys and colt 45  
Playing those records to keep us alive

A dream so big you can't even see it  
You gotta stay on the ground and just be it  
Skating all night tripped on the lights  
There's a riot goin on in our song

It won't be long  
We're coming in from the outside  
Keep it going on

Love you stay true  
With you make our own rules  
Believers achievers day dreamers  
Looking for something
