

Too old to bother, too young to care  
Standing all alone lost in my mind somewhere  
Looking for answers - So many unknown questions  
I've got to take another step on this sole adventure

Why is it I can't see?  
What it is I need to be  
I wish I had some ideas  
About my destiny

I don't know what it is I'm looking for  
Can't find it anywhere, never felt like this before  
I got no ideas what is I try to find  
I've got a strange feeling I'm lost in my own mind

Why is it I can't see?  
What it is I need to be  
I wish I had some ideas  
About my destiny

Too old to bother - too young to care (3x)  
Too old to bother - too young to give a shit
