

## Holiday Cocktail Lounge

The Bouncing Souls

Happy Hour's next door  
But you'll have to brave the downpour, I'm staying here  
Where I can get a song free with my drink to smooth things along  
The bartender, he looks kind of sauced but he always knows what  
's going down  
It's all how you carry yourself here at the holiday cocktail lounge

I didn't talk or say much but I got to know a lot  
The greatest delicacies of Spain  
The effects of rain on your brain  
Another drink with my free song  
The usual things they come and move along

I have heard some places can change how you feel  
It's not something you can see  
But I think that it's real  
Words that were spoken of passing thoughts in the mind  
Somebody just rolled through and they left them behind  
Maybe they sat in this very stool  
And didn't make a sound  
They just came and went
