

Lean On Sheena

The Bouncing Souls

Did you intimidate her?
Her mother says you wouldn't let her use the phone
Or were you intoxicated
past the point of knowing what was going on

Better yet, don't forget leave the keys on the t.v. set
hoping you're gone from the corner bar
here we are after dark
knocking back the Makers Mark
scrounging up the dollars from my buddy's car
and

Lean on Sheena
she leans on me a lot
hold on, hold on, hold on to what you've got

Intimidate her
how'd you make her feel
worse than she did before?

And I heard you
came back later
had the upstairs neighbors
banging on the floor

Better yet, don't forget leave the keys on the t.v. set
hoping you're gone from the corner bar
here we are after dark
knocking back the Makers Mark
scrounging up the dollars from my buddy's car
and

Lean on Sheena
she leans on me a lot
hold on, hold on, hold on to what you've got

hold on to what you've got

Intimidate her
Her mother said you wouldn't let her use the phone
were you intoxicated
past the point of knowing what was going on

Better yet, don't forget leave the keys on the t.v. set
hoping you're gone from the corner bar
here we are after dark
knocking back the Makers Mark
scrounging up the dollars from my buddy's car
and

Lean on Sheena
she leans on me a lot
hold on, hold on, hold on to what you've got

hold on to what you've got

Better yet, don't forget grab your keys off the t.v. set

say goodbye to the corner bar
got a friend till the end
and she's never coming back again
always on my mind and in my heart
and

Lean on Sheena [x2]

Lean on Sheena
she leans on me a lot
hold on, hold on, hold on to what you've got
