I wanna make you know I can do everything
But I don't ever show you how I really am
I wish I could say I have no regrets
I wanted too much from you

I don't wanna be this way
I kick myself
I wish I could say
I have no regrets today

But I'm so nervous that I lose my cool Every time I pick up the phone and try to call you Standing out in the freezing cold until I'm numb Wondering why I'm always acting so dumb

I don't wanna be this way
I kick myself
I wish I could say
That I have no regrets today

Things just happened to turn out this way I can't say I have no regrets today (2x)
