

# Flying Saucers Rock'n'Roll

The Box Tops

Well, the news of the saucer been a-flyin' around  
I'm the only one that seen it on the ground  
First thing I seen when I saw it land  
Cats jumped out and they formed a band

Flyin' saucer rock and roll, flyin' saucer rock and roll  
I couldn't understand the things they said  
But that crazy beat just a stopped me dead

Well the little green men, they were real hep-cats  
Rockin' and a-rollin' to the crazy flats  
They brought out a sax and they started to blow  
They brought out the drums and they started to roll

Flyin' saucer rock and roll, flyin' saucer rock and roll  
I couldn't understand the things they said  
But that crazy beat just a stopped me dead

Well, I come out a-hidin' and I started to rock  
Little green men taught me how to do the bop  
They were three foot high, hit a few bars  
Started rock and roll al the way from mars

Flyin' saucer rock and roll, flyin' saucer rock and roll  
I couldn't understand the things they said  
But that crazy beat just a stopped me dead
