

I Pray For Rain

The Box Tops

I pray for rain
I pray for rain
Picnic basket
Filled with goodies
For you and your new love
To have dinner on the ground

I pray for rain
I pray for rain
If it rains
It won't be groovy
For you and your new love
To share the new love that you've found

I pray for rain
I pray for rain

Rainy season
Setting in
On you and your new love
I'll be seeing you again
