

These Walls Are Thin

The Boxer Rebellion

Look brave, look brave my innocent
Don't talk, these walls are thin
Shield your ears, shield your ears from the vertigo
Won't hear us roam round here, again

Just stay where you are, don't stop, don't stop.

So here we are, here we are
Here we are now.

Misguided, misguided casualty
Always more concerned about TV
Take a break, take a break in luxury
Satisfaction, forever guaranteed.

Just stay where you are, don't stop, don't stop.

So here we are, here we are
Here we are now.

Now, now, now, now, now, now
now, now, now, now, now, now
