Oh, God, I gaze upon with you
It's all timing made by my heart
'Cause I always wander to find you, ayy
But I want more of strangeness
The moment I've dreamed of every day
Now, now I hope it finally starts

You and my story
Our very first page
From this moment, no more coincidence

I drew you on the darkness of night
(Ooh-ooh-ooh-ooh) I fantasize
(Ooh-ooh-ooh-ooh) I fantasize
Finally, it's a reality now

Tonight, when I close my eyes again
Mystery that I came across from beginning
First, I'll meet you tomorrow (Oh-woah)

You and my story (You and my story)
The last page
We got no ending
There will be no end (Hey, hey)

I drew you on the darkness of night
(Ooh-ooh-ooh-ooh) I fantasize
(Ooh-ooh-ooh-ooh) I fantasize
Finally, it's a reality now
(Ooh-ooh-ooh-ooh) I fantasize
(Ooh-ooh-ooh-ooh) I fantasize
Finally, it's a reality now

I know you'll be here
With great eagerness
Your heart that you wanna brought to me
Like I imagined
Like we promised
We'll obviously recognize each other

Your eyes that clearly shine on me
(Ooh-ooh-ooh-ooh) I fantasize
(Ooh-ooh-ooh-ooh) I fantasize
I already know, you'll be mine
Let's find out go
(Ooh-ooh-ooh-ooh) I fantasize
(Ooh-ooh-ooh-ooh) I fantasize
I'm heading towards you bit by bit
