Cause I'm your boy
I'm your boy I'm your boy
Cause I'm your boy
I'm your boy I'm your boy

Cause I'm your boy

I like you, I like your smile
I like how shy you get
This moment, being together
I like it so much

It's so amazing, day after day
I think about you more and more
My heart keeps beating faster
I'm only thinking about you

Cause I'm your boy
I'm your boy I'm your boy
Cause I'm your boy
I'm your boy I'm your boy

I didn't know I'd be into someone
I'm just looking at you and smiling cuz I'm a fool
I can't focus, I can't do anything
I want to carry you in my pocket
I don't need anything else, without you, there's no meaning
Only you fill me up
I'm falling for you more and more, my girl
I can only think of you, for real

Thank you for being under the same sky as me
That I can sing this kind of song
That I can see you when things get hard
Thank you so much

Cause I'm your boy
I'm your boy I'm your boy
Cause I'm your boy
I'm your boy I'm your boy

More than the stars in the night sky
You dazzle and shine so bright
More than anything else in the world (you)
All of the memories in me
I'll engrave them deep in my heart

Cause I'm your boy
I'm your boy I'm your boy
Cause I'm your boy
I'm your boy I'm your boy

When things are hard, lean on me
I'll always lend you a shoulder
You're important to me, I'll only look at you
My heart flutters more and more, for real

Cause I'm your boy
I'm your boy I'm your boy
Cause I'm your boy
I'm your boy I'm your boy
