Even the slight warmth  
Has gone cold on my bed  
A day where time stands still  
Feelin' the gloom  
In that pitch-black darkness  
The more I reach out, the further you drift  
Blue sky little stars, everything  
The light is fading away

Every night, every day (Oh-oh-oh)  
Daybreak overwhelms my empty heart (Oh-oh)  
The more I inhale, the more I get lost in you  
In my heart, it spreads out  
Blissful dreams come true, oh
