Deep deep into the night
I'm feeling this restless bounce
No savior's needed tonight
Break me, make make me
Even if I crash and break
I'll leave a mark on this ring
Too late now to be afraid
Anxious breath shines bright
A dream about to shatter

When tears fall onto the ring
The moment I step, the fire ignites
When I clench my fists, a flashback strikes
Even if I fall, up again, I'm reborn
I trust the beating of my heart

Fragile dreams, fragile hearts
Break apart, but leave your mark

Though I'm nervous no frown on my face
Sweat fills my palms, but I'm still cool now
Even if I fall, I won't lose my fire, stay fueled

Higher than the stars, fly so high
Brighter than the moonlight
Ooh-ooh-ooh, ooh-ooh, ooh-ooh
(Brighter than the moonlight)
Between despair and dreams
I walk on that path
Ooh-ooh-ooh, ooh-ooh, ooh-ooh

Ooh, ooh-ooh, ooh, ooh-ooh
Ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Igniting without fear
Ooh, ooh-ooh, ooh, ooh-ooh
Ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
You'll bring it out, bring it out

Strike, ignite, take the night
Pop, pop, flash make it last
Step by step I run my path
My scars are trophies, the gain I made
I run till the end like a rover
Sweat dripping beneath the crimson sun
Run together, run

When tears fall onto the ring
The moment I step, the fire ignites
When I clench my fists, a flashback strikes
Even if I fall, up again, I'm reborn
I trust the beating of my heart

Fragile dreams, fragile hearts
Break apart but leave your mark
Though I'm nervous, no frown on my face

Brighter than the moonlight
Ooh-ooh-ooh, ooh-ooh, ooh-ooh
(Brighter than the moonlight)
Between despair and dreams
I walk on that path
Ooh-ooh-ooh, ooh-ooh, ooh-ooh

Shatter, scatter, walking on shattered pieces
The scars left on my feet pave my way
My heart beats chasing the light, louder
The day I was bruised, the day I bloomed
Every moment is an eternal trial
Even when I fall, the light stands by my side

Watch me dash, watch me dash
Through the thorns, I kept walking on
Watch me dash, watch me dash
Breaking through my pain, breaking through the sky, yeah, yeah, yeah
Watch me dash, watch me dash
Through the thorns, I kept walking on
Watch me dash, watch me dash

Breaking through my pain, breaking through the sky

Higher than the stars, fly so high
Brighter than the moonlight
