

Boogie

The Brand New Heavies

Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah
Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah

Stupid boy thought he'd try to run a game
On me while out last night
(said he wanted me, said he couldn't lie,
But I was his first date in a while)
He seemed real cool but I won't
suffer a fool gladly,
Hear what the next girl said to me
in the bathroom.

I got your tune, yeah I know your game,
Your misfortune's I'm about to shame you
Ain't too clever thinking must strain you
Only have yourself to blame

Hey girl to tell you's my duty he just
wants your booty
He's all about the booty.
Yeah!!
Well I just came to boogie I'm all about
The boogie, tonight's 'bout the boogie;

Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah
Yeah! Yea Yea Yea Yea Yea Yea. YeaYeah

Foolishly he began lying, trying denying
What I'd just found out
(Said he told the truth, said he didn't lie.
He had an alibi)
Right about then came two woman said
They'd been calling on him night and day,
Then they say.

Don't wanna...wanna boogie
Don't care to...wanna boogie,
Coz I don't care bout you...I'm gon boogie.
Don't wanna stop, wanna boogy now.

Don't wanna...wanna boogie. Don't care to...
Wanna boogie.
Don't wanna...wanna boogie. Don't care to...
Wanna boogie
