

Close To You

The Brand New Heavies

Ooh, ooh, closer, closer, yeah...
Ooh, ooh, closer, closer.

Long ago, seems so far away,
I fell in love with you, and that feeling remained.
Looking back I recall how you never could see,
All the feelings I kept deep inside that I didn't set
free.

But still I, I wanna be close to you, I wanna be close
to you.
Still I, I wanna get close to you, I wanna get close to
you.

All of my close friends said I lived in a dream,
But it didn't matter at all, cuz they just couldn't
see.
That your guitar was just playing for me.
Never gonna listen to them cuz I still want to be,

And still I, I wanna be close to you, I wanna be close
to you.
Still I, I wanna get close to you, I wanna get close to
you.
Still I, I wanna be close to you, I wanna be close to
you.
Still I, I wanna get close to you, I wanna get close to
you.

Your guitar is just playing for me
Now I'm gonna let my feelings show, cuz I still wanna
be...

And still I, I wanna be close to you, I wanna be close
to you.
Still I, I wanna get close to you, I wanna get close to
you.
Still I, I wanna be close to you, I wanna be close to
you.
Still I, I wanna get close to you, I wanna get close to
you.

Yea, yea

Closer, closer, I wanna be, closer, closer, I wanna
be...
