

I Feel Right

The Brand New Heavies

I take the easy path because I want to
Don't wanna push or shove
Don't wanna fight. Mmm mmm
Fella covers ground and airforce
Doin' time
Been a lie
Ooh, and I'm afraid, yeah
I keep makin' it happen

Ooh, ooh, what can you do?
Ooh, what you want's hurtin' you
Ooh, ooh, find a new lay
And ooh, oh, you might get paid

'Cause I feel right
I got my money
I ain't uptight
And life's full and
Now I feel right, yeah, I feel right
'Cause I feel right
No more nice girl
I'm alright
I got my money
Ain't too uptight
And the future's sunny
Now I feel right, yeah, I feel right
'Cause I feel right

'Cause I feel right
I feel right
'Cause I feel right

I ain't about to sell myself
I'm just doin' this for strong spirit, too
Take my opportunity
I walk as my currency
I'm just tryin'-a sing a song
Tell me, Lord, what was so wrong
Baby, while you sleep there,
I'll keep makin' it happen

Ooh, ooh, what can you do?
Ooh, what you want's hurtin' you
Ooh, ooh, find a new lay
And ooh, oh, you might get paid

'Cause I feel right
I got my money
I ain't uptight
And life's full and
Now I feel right, yeah, I feel right
'Cause I feel right
No more nice girl
I'm alright
I got my money
Ain't too uptight
And the future's sunny

Now I feel right, yeah, I feel right
'Cause I feel right

[Bridge]

Ooh, ooh, ooh, ooh (16x)

'Cause I feel right
I got my money
I ain't uptight
And life's full and
Now I feel right, yeah, I feel right
'Cause I feel right
No more nice girl
I'm alright
I got my money
Ain't too uptight
And the future's sunny
Now I feel right, yeah, I feel right
'Cause I feel right
(2x)

'Cause I feel right
'Cause I feel right, yeah, I feel right
I feel right
'Cause I feel right
No more nice girl
I'm alright
I got my money
Ain't too uptight
And the future's sunny
Now I feel right, yeah, I feel right
'Cause I feel right

Eh, eh, eh
Eh, eh, eh

'Cause I feel right
I feel right
I feel right. I feel right. I feel right.
I feel right. I feel right. I feel right. (6x)
