

# Let's Do It Again

The Brand New Heavies

Hey yeah...

Looking back, at what was the past  
It was too hard to stay there  
Even though we wished for better days  
Misunderstanding got in the way  
But it's a beautiful thing  
It's a beautiful thing  
Being together once again  
So here let's do it again  
We're gonna do our thing  
We'll make our heaven smile again

We're gonna do a little dancing to the music  
Yeah yay...  
Hey...

Dance, let's do it again  
Wanna do it again  
Ooo baby, baby

As the years went by  
You stayed on my mind  
Funny how time can make us smile  
Come fly with me, my friends  
This time we're gonna win  
We're gonna do it all again

We're gonna do a little dancing to the music  
Yeah yay...  
Hey...

Dance, let's do it again  
Wanna do it again  
Ooo Baby, baby  
Let's do it again  
Wanna do it again  
Ooo baby, baby

Let's do it again my baby  
We got to do it my baby  
We got to do it yeah

Yeah, yeah, yeah, oh, oh  
Yeah, yeah yeah yeah  
Let's do it again  
Do it again

Dance, let's do it again  
Wanna do it again  
Ooo baby, baby  
Let's do it again  
Wanna do it again  
Ooo baby, baby, hey
