

Spend Some Time

The Brand New Heavies

I had a picture of you in my head
It kept me warm when you were not there
You can make me laugh make me feel like
A child to see your smile made everything worthwhile

I feel a glow when you are near
All of my doubt just disappear
But baby nothing stays the same
It's such a shame

Spend some time trying to figure out
What to do with this love what to do with this love
Now it seems like the best thing baby
Is just give it up let's just give it up

So now you play trick with my mind
I am gonna leave your loving all behind
You were my joy you were my pain
Something is lost when something is gained

Don't worry baby I'll be fine
I'll grow tired of you wasting my time
Don't bother pleading or trying to stop me
It's too late now I've just got to be free

Spend some time trying to figure out
What to do with this love what to do with this love
Now it seems like the best thing baby
Is just give it up let's just give it up

Spend some time trying to figure out
What to do with this love what to do with this love
Now it seems like the best thing baby
Is just give it up let's just give it up

Spend some time trying to figure out
What to do with this love what to do with this love
Now it seems like the best thing baby
Is just give it up let's just give it up

Baby just give it up
I've just had enough
Give it up boy, give it up
I've just had enough

Baby just give it up I've just had enough
Give it up boy, give it up I've just had enough
Baby just give it up I've just had enough
Give it up boy, give it up I've just had enough
