

Waste My Time

The Brand New Heavies

I woke up
You called again
You said that you were falling
You came around
I tried to save you
Then you left without a warning
So hey
You walked away
But that's OK, it's what you wanted
So I let you go
But you don't know
Baby what you want

I don't know why you keep trying

Why you waste my time? (You're boring me)
Baby read the sign (You ain't for me)
You ain't worth my time
So don't waste my time
Don't you waste my time

One month and ten
You checked three women
Since the time we parted
Now you're alone
Calling my phone
Telling me you're so broken hearted
Thought you'd play away
Think that's OK
Cos you're the one who's playing
But I see you lost the game
There ain't no way
You'll ever touch me again

I don't know!

Why you waste my time? (You're boring me)
Baby read the sign (You ain't for me)
You ain't worth my time
So don't waste my time
Don't you waste my time
Mm mm, oooh

Without drama, what would you do?
Without someone, who would you be?
You can't use me for company

It's all fine
My new baby's got mine
And he don't waste time
He just makes me feel good
Waste my time
