You've Got A Friend (in Me)

The Brand New Heavies

You've got a friend You've got a friend in me You've got a friend(you've got a friend) You've got a friend in me

When you're down and troubled And you need some loving care And nothing no is going right Close your eyes and think of me, ooh And soon I will be there To brighten up even your darkest nights, yeah

You just call out my name, And you know where-ever I am I'll come running, yeah To see you again Don't you know that Winter, spring, summer, or fall, All you got to do is call And I'll be there, yes I will You've got a friend.

You've got a friend You've got a friend in me You've got a friend in me You've got a friend in me You've got a friend (you've got a friend) You've got a friend in me You've got a friend (you've got a friend) You've got a friend in me You've got a friend in me

Ain't it good to know that you've got a friend People can be so cold. They'll hurt you and desert you. Take your very soul if you let them. So don't let them, no

You just call out my name, and you know where-ever I am I'll come running yes, to see you again, yeah Don't you know that, Winter spring summer or fall, All you've got to do is call. And I'll be there, yes I will And I'll be there, yes I will And I'll be there, yes I will You've got a friend

You've got a friend (you've got a friend) You've got a friend in me (you've got a friend) You've got a friend (you've got a friend) You've got a friend in me
