Supervoid

The Breathing Process

infinite my power becomes
I am a demigod, by purpose I was forged amidst the stardust
perpetually in formation, devised for earthly process

I am here to extract the world of sentience and force my godly essence, welcome to the void
constellations are forming from the cracks in your bones and cr eating my home, welcome to the void.

perpetually in formation, devised for earthly process

the construction of this landscape begins with the subjugation of all anthropoids, shrouded in avarice, the perfect ploy.

I am a demigod, by purpose I was forged amidst the stardust, pe rpetually in formation, devised for earthly process.

now you're mine to puppeteer the extinction event that will wip e out all your years, here's the supervoid.
I'm misunderstood in my essence that will finally drown the uni verse, usurped by supervoid.

Welcome to the void
