

## Don't Look At Me

### The Brian Jonestown Massacre

Our love is like violence  
We're flying to nowhere  
There's smoke in your lies  
We're Flying to nowhere  
I'm Flying to nowhere

Do no harm  
Our love is like violence  
Do no harm  
Our love is like violence  
Flying to nowhere  
Our love is like violence  
Do no harm

Our love is like violence  
We're flying to nowhere  
There's smoke in your lies  
Do no harm  
Our love is like violence  
Do no harm  
Our love is like violence  
Flying to nowhere  
Our love is like violence  
Do no harm

Our love is like violence  
Do no harm  
Do no harm  
Do no harm
