

Going to Hell

The Brian Jonestown Massacre

I've been out on my own,
I've been doing real fine.
I watch you wreck what you can it's crazy cause...
It seems your out of your mind.

But you live in a dream,
And it's not going well.
There's nobody to help you,
Cause your living
In hell.
Well they say you've been good,

And some say you've been bad.
Ii like to laugh when your happy baby.
Yyou make me cry when your sad.
But you live in
A dream, and it's not going well.
Superman cannot save you- cause- you're going to
Hell.
You are going to hell
