

## (I Love You) Always

The Brian Jonestown Massacre

I'll love you  
No matter what you may do  
I'll always  
Be the one for you  
My love will never change  
Always stay the same  
No matter what you do  
Or always  
Forever in this way  
I'll never  
Be the one to say  
That I have had enough  
Because I am in love  
Always  
You grace my days with your light  
Even when it dims your soul is shining bright  
You give me something that I need  
The love that I give to you has no greed  
So don't apologize  
Can't you see  
Don't want to change you  
Just want you to be  
Everything we see  
What you want to be  
It's easy  
You grace my day with your light  
And even when it dims it still is shining bright  
You gave me something that I need  
The love that I give to you  
All comes back to me
