

New Low in Getting High

The Brian Jonestown Massacre

There's trouble out in the corner
And you need a place to hide
All the bad things follow us down
I want you by my side

Can we ever really know why
Why the bad things come our way
Can we ever really know
Well this is where we're going
And this is where we're heading

We're hitting a new low
We're hitting a new low
We're hitting a new low
We're hitting a new low

Can we ever really know why
Why the bad things come our way
Can we ever really know
Well this is where we're going
And this is where we're heading

We're hitting a new low
We're hitting a new low
We're hitting a new low
We're hitting a new low
We're hitting a new low
We're hitting a new low
