The Brian Jonestown Massacre

I confess...I confess...
If its a mystery.. I leave it alone
why suppress happiness...?
it all too much... a given unknown
I could have tried
harder to be....
look at my life...
I'm living free
I confess...I confess...
this hopeless century, I've lived all alone
why suppress happiness..?
it's a mysetey, so i leave it alone...
Why even try?!?!
So hard to be....
I could have died...
Because of your greed.... ohhhh
I could have tried...
harder to be...
Look in my eyes...
What do you see?
I could have died...
Because of your greed...
Livning my life.....I.....ohhhhhhhhhh
