

## Xibalba

### The Brian Jonestown Massacre

I think that it's time to leave, I'm sitting here wasting time  
There's nothing left here but fear, I guess that I knew you're  
mine  
You say that you'd rather run to take to another world  
We're not going to wait and see and I'd rather run than die, so  
run

I think that it's time to leave, I'm sitting here wasting time  
There's nothing left here but fear, I guess that I knew you're  
mine  
You say that you'd rather run to take to another world  
We're not going to wait and see and I'd rather run than die, so
