You Think I'm Joking?

The Brian Jonestown Massacre

You've got to tell yourself, you're gonna try
You're never giving up, until you die

Remember to remember
Until you've reached the very top
You got to give it all you have
You got to give it all you've got
And if life is looking grim to you
Just remember what I said
There'll be time enough to worry
It can wait until you're dead
And when you're gone, then you are gone

Remember to remember
Until you think you've reached the end
Then guess again it goes on forever
And still goes on and on again
And then you find peace of mind, sometime
When they're not messing with your head
And you don't feel so all alone
Like when you got a chance to breathe
Or when you do not feel alone

Remember to remember
Fight until your dying day
And walking bare foot on fire
Killing whatever's in your way
And if there's a gift that I could give you
I'd give everything I've got
And just to know that you have made it
'Cause for me it means a lot
You're all I have, it's all I have
