

Gimme Some Rhythm Daddy

The Brian Setzer Orchestra

Gimme some rhythm baby
Gimme some rhythm baby
I'll take you out on the town
I'll spin you around
Gimme some rhythm baby

Gimme some rhythm daddy
I don't wanna chit chit chatty
I just wanna dance
And a little romance
Gimme some rhythm daddy

When we head out on the dance floor
I ain't really askin' for a lot
What more could I cry for
Show me all the rhythm that you got
Man!

Gimme some rhythm baby, come on
Gimme some rhythm daddy
My heart starts singin'
And my feet do the swingin'
Gimme some rhythm daddy

I don't want no mashed potato
I don't want an alligator
Just give me a while with a crocodile
Gimme some rhythm daddy

Rutabagas and tomatoes
Famous Idaho potatoes
Smoke collared greens
And lima beans
Gimme some rhythm baby
With our GPS to guide us
We can find an internet cafe
We can share a little latte
With soy milk please
Because I'm lactose intolerant

Broadway and Radio City
Central Park is lookin'
Might pretty
We're stayin' up late
In the Empire State
Gimme som rhythm daddy (baby)

I don't need a fortune teller
To tell me you're a real swell fella
Dancin' round and round
To a big band sound
Smoke collared greens
And lima beans
Hang a little while
With a crocodile
I need a little lift
If you catch my drift

We're stayin' up late
In the Empire State
Gimme some rhythm daddy
