

I'm A Raccoon

The Briefs

Not a cat
Not a dog
Not a fox but I duno
Rather wait in a hole
I am starting to
Search for food
In the lake

I got friends down in the woods
That is why I feel so good hey
Your world is not for me
I'm a racoon see what I see
Your world is not for me
I'm a racoon stay away from me
I got ears
I got claws
I got fleas
I got
Lying in a garbage can outside the government
No one man can hold me down

Your world is not for me
I'm a racoon see what I see
Your world is not for me
I'm a racoon stay away from me
Your world is not for me
I'm a racoon see what I see
Your world is not for me
I'm a racoon stay away from me
