

## Die Alone

The Brobecks

Can I die away from you?  
What you do, it isn't ordinary too.  
There's nothing to do, but lie.  
I guess I'll die, guess I'll die  
alone-ly guy

What you got is what I need.  
No sympathy will you ever get from me.

There's nothing to do, but lie.  
I guess I'll die, guess I'll die  
alone-ly guy

Guess I'll die alone  
Guess I'll die a lonely  
Guess I'll die a lonely guy.

Can I die away from you?  
Watch what you do,  
it isn't ordinary too.  
Oh, three.

There's nothing to do, but lie.  
I guess I'll die, guess I'll die  
alone-ly guy.

Guess I'll die alone  
Guess I'll die a lonely  
Guess I'll die a lonely guy.  
One more time.  
Guess I'll die alone.  
I guess I'll die a lonely.  
Guess I'll die a lonely guy.

I've just but one request:  
That I'll soon get my rest and die...  
a lonely  
guy.
