

Breaking News

The Bronx

Justice is long overdue
First it's me, then it's you
Another good day on the rise
Empty streets, empty skies

How long have I been awake?
Clearly, there's been a mistake

Breaking news
We're all fucked
And everyone's shit out of luck
Even you
Sad to say
But it's true

The sun rises on a new day
Look away, look away
Do what you gotta do
Until you break through

It's all for one
And one for all
Now place your hands
Against the wall

Breaking news
Nobody cares
If you die

It's all for one
And one for all
Now place your hands
Against the wall

It's all for one
And one for all
Now place your hands
Against the wall
