

Sunset City

The Bronx

Do you wanna be different?
Do you wanna be strange?
Are you afraid of failure?
Are you afraid of change?
There's a new day dawning
You'd better run and hide
How're you ever gonna change the world
If you never try?

Sunset City's crumbling
And I won't change a thing
We live in a nightmare
There's bodies everywhere
Sunset City is at war
Death's knocking at your door
You've never seen anything like this
Never before

We might be human
And we might be damned
But we won't go softly
And we won't give in
There's a new world rising
There's a voice yet to be heard
Now we've got your attention
Now you're hanging on our every word

Sunset City's crumbling
And I won't change a thing
We live in a nightmare
There's bodies everywhere
Sunset City is at war
Death's knocking at your door
You've never seen anything like this
Never before

Sunset City's crumbling
And I won't change a thing
We live in a nightmare
There's bodies everywhere
Sunset City is at war
Death's knocking at your door
You've never seen anything like this
You've never seen anything like this
You've never seen anything like this
Never before
