

## Normal Things

The Brook & The Bluff

I came up here to just breathe  
Sway like the mountains  
Rustle like leaves -  
Just the normal things  
Something I used to believe  
I'll close my eyes, fly up through the trees  
Feel some normal things

Now when  
I want to feel open  
Nothing  
Falls as I was hoping

I came up here to just breathe  
Sway like the mountains  
Rustle like leaves -  
Just the normal things  
Something I used to believe  
I'll close my eyes, fly up through the trees  
Feel some normal things

Now when  
I want to feel open  
Nothing  
Falls as I was hoping

Baby can you just tell me  
Just like the mountains  
Just like the leaves  
We are normal things
