

My Tani

The Brothers Four

Farewell, my Tani, child of a coral sea
We dreamed of heaven, but you've forgotten me
I loved you dearly, why did we have to part?
Now I am lonely, here with a broken heart

Once on silver sands we held lonesome hands
That's why, my Tani, I cried "Come back to me"
Once on silver sands we held lonesome hands
That's why, my Tani, I cried "Come back to me"
