

Deceiver

The Browning

Du lügst mich an

Spitting venom in the eyes of the masses
Blind the world and turn it to ashes
You must obey, so
Open your mind and pour in the acid

Du lügst mich an
Du lügst mich an

You lie to me
Beneath the surface
You lie to me
You know the truth, they are liars
Deceivers
Yet still you trust in them

Du lügst mich an
Du lügst mich an

Why do we let corruption reign?
Open your eyes
Why do we all remain in chains?
Open your eyes

(Du lügst mich an)
(Du lügst mich an)

Spitting venom in the eyes of the masses
Blind the world and turn it to ashes
You gave them total control
Now the world will suffer

Du lügst mich an
Du lügst mich an

You lie to me
I never trusted you
You lie to me
You snake motherfucker

Decapitate
Head of the snake
Bow down to no man

Du lügst mich an
Du lügst mich an
