The Browning

You are
Not who you used to be
We have
Broken at the seams

I feel no pain
For the weak and the hopeless
Because they have no shame
Blaming others, hating brothers
You are the one that changed

You numb your pain
You fill your life with hate
There is no one else to blame
For the ways you have changed

You makes the same mistakes

You made the same mistake
For the last time
I made the same mistake
By forgiving you
I forgave you

You are
Not who you used to be
We have
Broken at the seams

One regret, one mistake
One choice is all it takes
To change a life
To make a difference
One last chance

One regret, one mistake
One choice is all it takes
To change a life
To make a difference
One last chance

One last cha-a-a-a-a-a....
