Planet Hate

The Browning

I hate everything about hating everything
But I can't help myself living in this hell
I have no hope
I have no hope for this world

This world is fueled by hatred and self-destruction
Blinded by ignorance and corruption
Hiding behind the lies
I can't believe my eyes

I can't believe
My eyes deceive me
I can't believe
My eyes deceive me

So negative, so cold
You'll wish you didn't hate when you're all alone
Hate is a fire that gives no warmth
The bridges burned will prove their worth

So negative, so cold
You'll wish you didn't hate when you're all alone

I hate everything
I have no hope
I have no hope for this world
