

## Pure Evil

The Browning

I am pure evil  
I am pure evil  
I am pure evil  
I am hate from within

Hear me from the depths of your skull  
Your greed will start to consume you  
Fear me I control your world  
The selfishness will come back to haunt you

You are hopeless  
You cannot escape me  
Now go throw your life away  
So your wealth will stay  
Throw your life away

I am death, I am sin  
I am your hateful greed from within

I am pure evil  
I am pure evil

We are to blame  
Set us aflame  
Burn

I am death, I am sin  
I am your hateful greed from within  
We are to blame  
Set us aflame
