The Browning

Rage

Rage

Rage, blind with rage  
Brainwashed by the Gods of a new age  
Hate, force-fed hate  
Consumed by this plague and it's too late

Rage, blind with rage  
Hate, force-fed hate  
Rage, we are manipulated  
Hate, we cannot escape it

We cannot escape it  
We can't escape the rage, rage, rage

We created hell  
And now we're suffering  
The consequence of everything  
With hate instated governing  
We're over the edge  
Can't you see the world is burning

Rage, blind with rage  
Hate, force-fed hate  
Rage, we are manipulated  
Hate, we cannot escape it

Rage

The world is burning  
This is hell on earth
