

# Independence Day

The Bruisers

I stood in the middle  
Watching the scene all around me  
People fighting in the streets  
For their given right to be free  
As the walls fell down in Germany  
I proudly watched them win  
You know that it's true  
You can never keep us in

This is the hour  
This is the day  
This is the hour  
Our Independence Day

The time has come for the western world  
To jump into the fight  
And make a stand on freedoms side  
While chance is still in sight  
As the walls fall the people vow to never go down again  
If it comes to it we got to know right now  
Are you ready to make a stand

This is the hour  
This is the day  
This is the hour  
Our Independence Day
